LAIRE SENIOR
SCHOOL

The bent doorhandles, cracking glass, rusted hinges render the school doors useless. Throw your body against the door and wham. The door will be dented, your hip will be dented, but you have gained admittance. The halls are easy to travel, being permanent, impersonal. Students plaster posters along the walls with tape, but the signs are soon rejected. The tape loses its stick. The posters wilt and slide to the floor. But civilized wooden doors with door knobs open into the halls. Follow your nose and your eyes and your ears; you have penetrated.

Have you ever taken a tour of this school? Stop by the counselors' offices, they always have hard butterscotch candies to make you smile. Move on. Do you know how an art room smells? The typing teachers make bad neighbors. In the middle of history class, lectures are interrupted, "And one-two-three, F-F-G, and . . ." When they type to music, that's even worse. Drop by the auditorium. A few critics will be looped among the expanse of brown chairs. Those magic people on stage are really your classmates. Through the stairway windows on the second floor, look at the playing field. The dew will stamp those who sit under the tree and visit. Go by the cooking classes. They will be delighted to sell you a gooey doughnut. If an Inquisitor stops you on your travels, haul out your threadbare permit saying, "On very important business."

Dear Garnett,

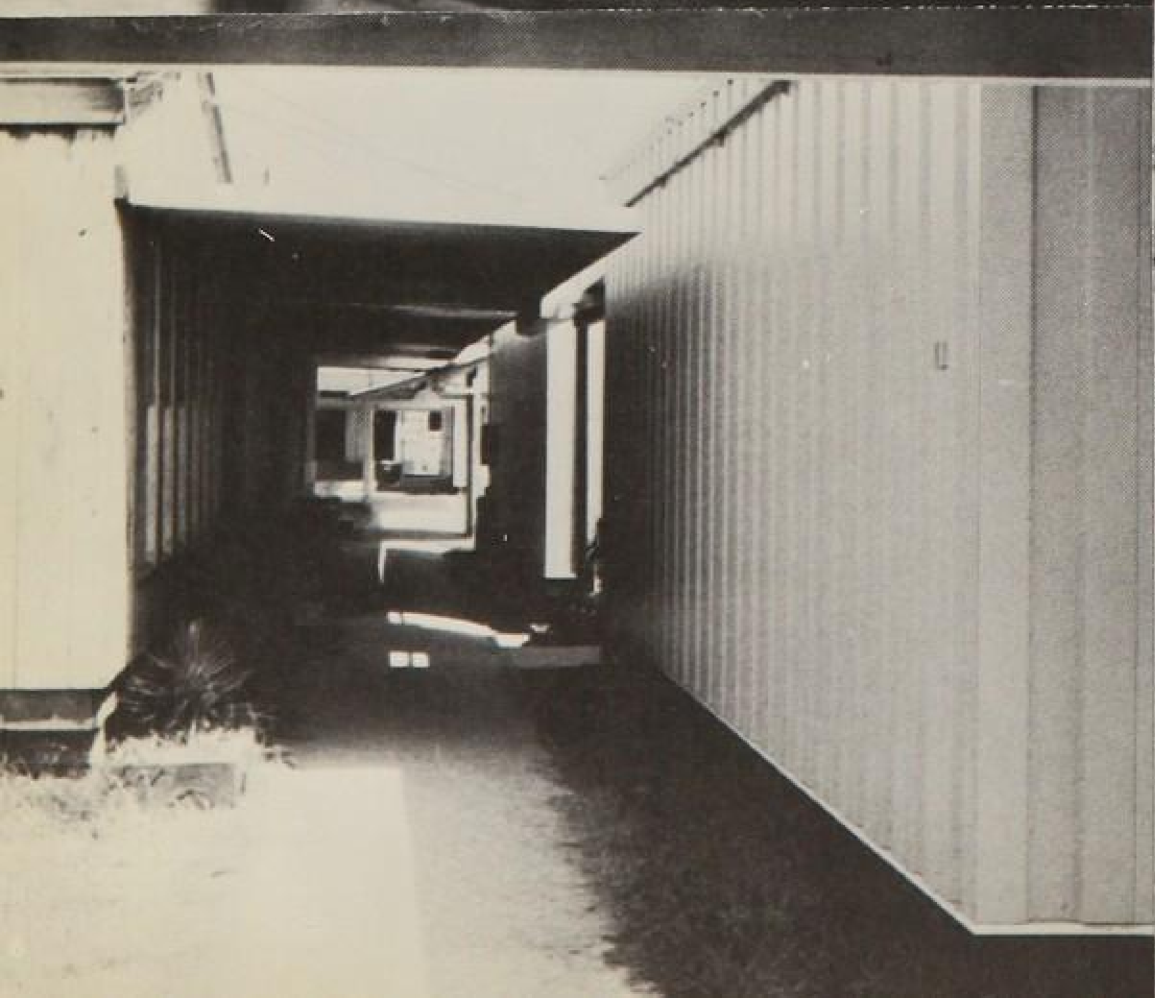

I'm so glad that you're a Belle. You have a very remarkable talent for leadership. I'm really glad you moved up when you because that can destroy spirit and make a person disillusioned. I don't ever think you'll become disillusioned. Keep the love of life, the humor, the easy going spirit – that you have now. You such a great potential & that's why I'm glad Belles has you. You're the kind of person that makes Belles for other people – in other words, officer material. Alot of people have said that Belles is going down the drain & will be kaput in a few years but with girls like you I don't see how that can happen. Work hard next years so that you can run for office – like I said before Belles needs you, don't let us down.

Love,
Susan (Rep)

Garnett —
Well, doll, how do I start? What can you say to the best reserve that anyone ever had? Just that I haven't ever really thought of you as only reserve but instead as one of the warmest, sincerest, dearest friends I've had or could ever hope to have!
I'll really miss you next year! (Remember, tho', I'm reserving a weekend + a couple of dates for you!)
May God Bless you in the years to come + may you always be blessed with happiness + good friends like I've had this year.
Lots of Love to my Baby —
Cindy

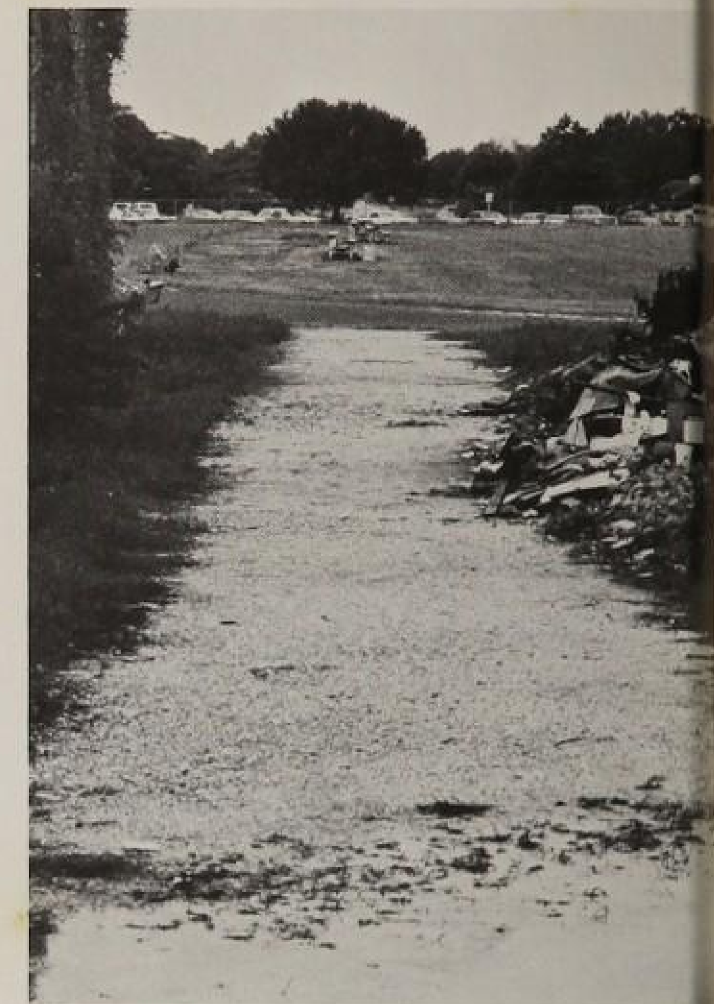

P.S. — Will check up on you this summer!

Well garnett It's been a fun year with all our parties & all. I hope we will be in the same class next year! Smile Jesus loves you Adios senorita! Love, Elizabeth Vicari

of knowledge."

"who am i, wisdom, and how came i to this place of horrors? what are these mighty hopes, these mountains of books, and these strange figures? what are these thoughts that come and go like a flock of doves? what are these words we compose with desire and write down in joy? what are these sorrowful and joyous conclusions that embrace my soul and envelope my heart? whose are these eyes that stare at me and pierce the very inmost recesses of my soul and yet are oblivious of my grief? what are these voices that lament the passing of my days and chant the praises of my childhood? who is this youth that toys with my desires and mocks my feelings, forgetting the deeds of yesterday, contenting himself with the littleness of today, and arming himself against the slow approach of tomorrow?
tell me, wisdom what are all these things?"

and wisdom laid a hand upon my burning brow, saying: "march on. do not tarry. to go forward is to move toward perfection. march on and fear not the thorns or the sharp stones on life's path."

"life takes us up and bears us from one place to another. fate moves us from one point to another. and we, caught up between these twain, hear dreadful voices and see only that which stands as a hindrance and obstacle in our path. we live in unawareness and the days greet us and embrace us. but we live in constant dread of day and night."

"youth walked before me and i followed him until we came to a distant field. there he stopped, and gazed at the clouds that drifted over the horizon like a flock of white lambs. then he looked at the trees whose naked branches pointed toward the sky as if praying to heaven for the return of their foliage.

and i said, "where are we now, youth?"

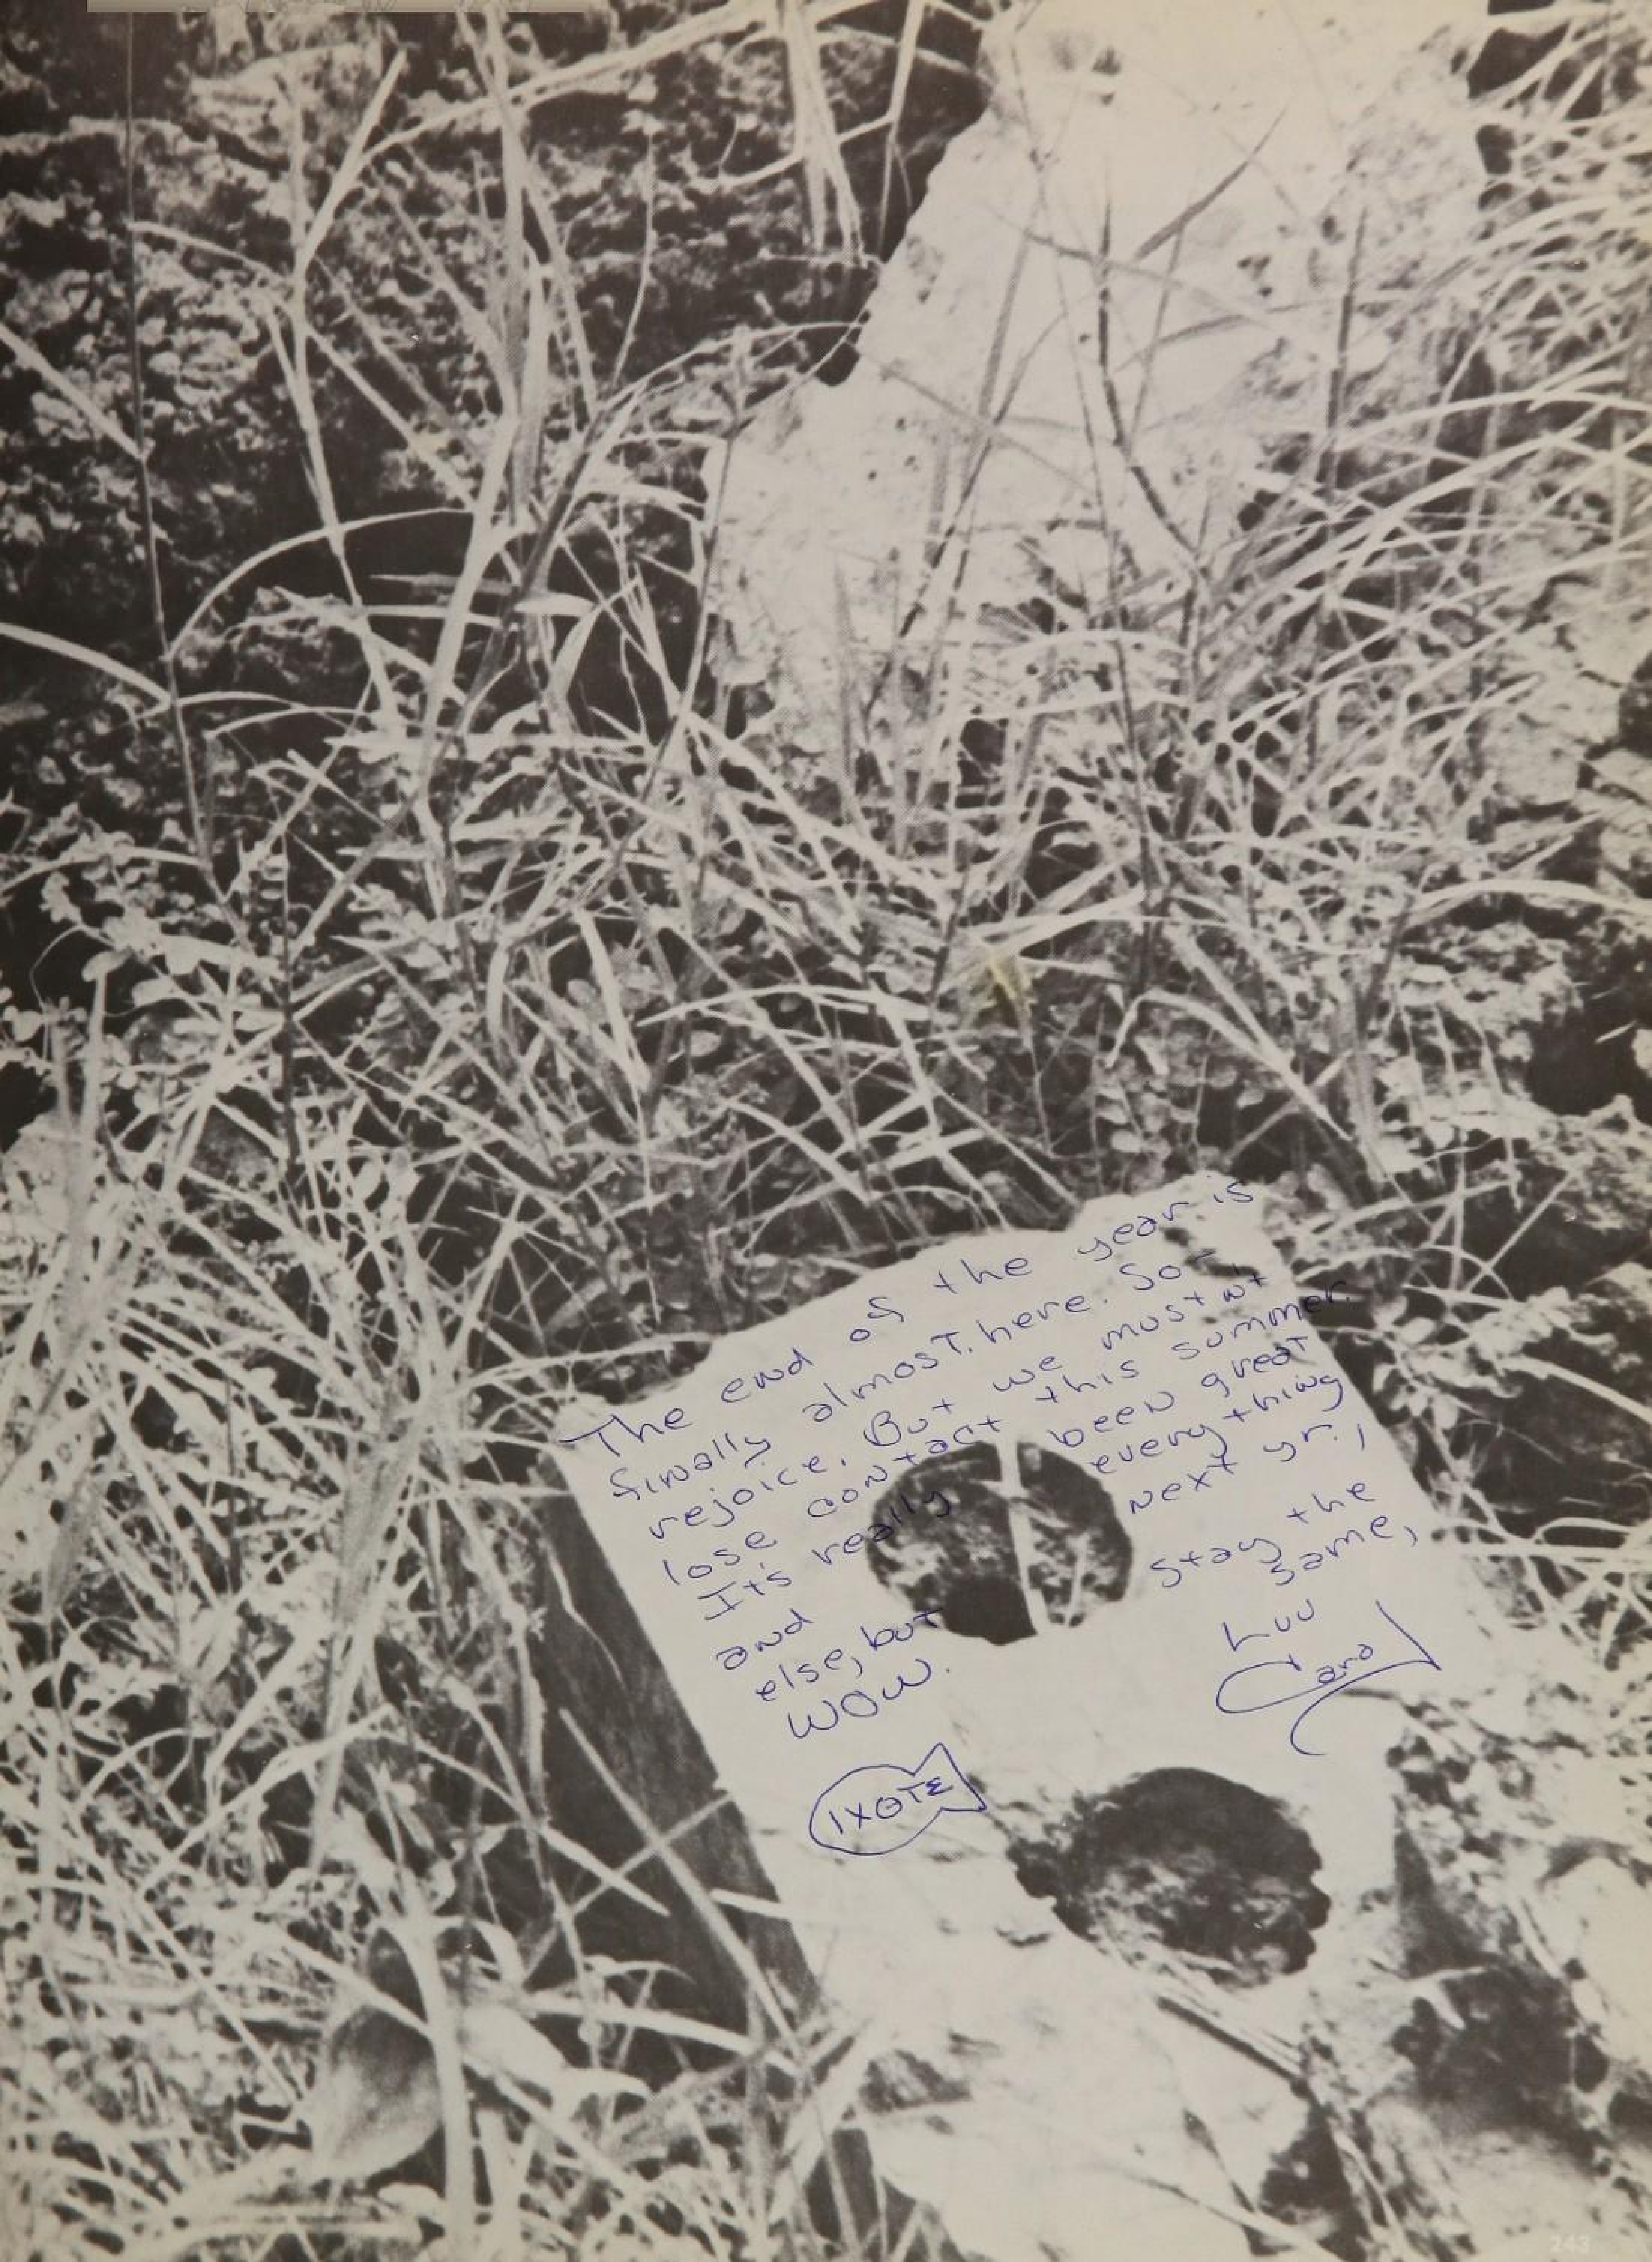

and he replied, "we are in the field of bewilderment. take heed."

and i said, "let us go back at once, for this desolate place affrights me, and the sight of the clouds and the naked trees saddens my heart."

and he replied, "be patient. perplexity is the beginning of knowledge."

Garnett,
You're been one of the greatest & sweetest gals this year. I especially in Bell Lyre class. I've loved knowing you & being friends with you.

Luv & kisses,
Susan B.

Dear Garnett,
This year has been a gas! You are probably the best friend I have this year. I mean it too. This year we've grown together, too. We have lots in common. Lets keep our friendship alive this summer, get together do some-thing! I really enjoy being around you, Garnett, & hope you feel that way too. Got ta go, luv, Steve

Garnett,
Bell Lyre class just wouldn't be the same without you, in more ways than one!!!! It's really been GREAT knowing you - hope our friendship grows and grows and grows and grows! Good luck always in everything you do!

Luv,
Jean

My beautiful Garnett,

What can I say? You just don't know how much I cherish your friendship! I've never had a friend like you - and I praise the Lord for you every day!!! We've been thru so many ups and downs together and have grown so much - needless to say - havin' a blast!!! You are such a beautiful person - and I love every part of your crazy nut!

God bless you (what an understatement)

Mary Madeline

To Garnett,

After all those wild weekends together! I don't know how you will ever be a belle again but I love bells too

Love, Mike

Hey Garnett,

Man Spanish was great especially with someone to talk and laugh with. Hope we are in the same Spanish class again next year. Good luck in the years to come.

Mike Cohn

Garnett,

Although I've known you for about 4 years I still don't know very much about you. Isn't that strange! We've shared problems and secrets with each other & we've had our ups & downs, also. I hope that I will always have a friend like you.

Love,
Excelle

P.S. Good luck with everything...

P.P.S. Like you once said, "a friend is someone with whom you dare be yourself." I'll always remember that and you will always be my friend.

Sornette,
you are real sweet girl with a great personality. It has been great knowing you and I hope we can have as good a time next year as we had this year. I hope we will always be great friends. Good luck always. Luv
David

Sis '73!

"Here was ! ..."

To the one and only Sornett
Thank God! I would like to say. So stay the way you are ... you are a beautiful person! ... nothing ... complete. This is ...

To a real cute girl who I think is cuter with her braces than without. Hope you have a real nice summer and a good year a Bellaire next year. Hope to see you sometime this summer. It's been a lot of fun this year. Love, Dale

Garnett,
This has been a crazy year and you didn't help things any. Thanks for being such a good friend.

Love,
John

... a real peppy girl & a swell belle. Congratulations on getting regular. Good luck next year.
Love
Dolly

Garnett –
Since 5th grade, yet! You're such a great friend I know this year hasn't been the easiest for either of us. Contrary to a popular belief, I love you especially and I don't know if you will accept that but... my faith in people is waning so I could understand if you don't believe me – I've kept a little more to myself these days. Best of luck always – God knows you deserve it. God bless you real good –

yours,
marisé

To a good friend,
I've learned alot from you.
Good luck in everything.
Your friend & mine, Bruce.

Dear Spiritual Advisor,
To a cute, and sweet and SUPER girl. It has really been wild with you at Belles. Even though we've been disappointed and upset at different times in the year, you have always made me happy. You're a great spiritual advisor and influence. Thanks for being a great friend and the kind of person you are.
Luff ya,
Susan

Garnett—

I should say how real, genuine, smiling, + really happy you always are—but I don't have to cause its always beaming all over your face. To a fellow chapel choir member, friend and christian

Love
Bobby

Well Garn!

Listen you beautiful, crazy nut! I don't think I even need to say that I'm gonna miss you like crazy when I go. Its having friends like you that make it very hard & sad to leave home. But I know at least that I'll have you here whenever I need you—and don't you dare ever forget "old Sig" and all the crazy things we used to do! Thank you for being you—

Love ya always,

Cindy

P.S. (Keep the SON in your eyes)

To a really neat
good-looking chick.
Hope we stay friends
for ever cause I
like beautiful people.
Stay the same!

Love ya dearly,
James

To a beautiful Christian.
Garnett you mean
alot to me in many
ways. You + Mary Madeline
are always there when I
need you. And I love you
for it.
Love
Pat

Garnet: you are one
of the nicest girls a guy
ever knew. From the little
old wine maker.
Pat Coulson

Garnett,
You are a very
beautiful sophomore that
I truly adore. Stick with
belles so you can ask me
to the Belle Ball next year.
Come see me some weekend at A&M.
When you're a senior, work hard
for those exemptions, they're worth
it. Be good and have a nice
summer!

Love always,
Paul
